About Us

Introduction

Established in 1967 by the Ministry of Road Transport And Highways (MORTH) and the Association Of State Road Transport Undertakings (ASRTU), CIRT stands at the forefront of the Indian road transport sector with over five decades of pioneering excellence in:

- Vehicle & Component Testing & Certification
- Competence & Capacity Building Through Training
- Research & Consultancy
- Automotive Cyber Security Initiatives
- Well known for its offerings on end-to-end solutions for safe transportation

The Central Institute of Road Transport, under Ministry of Road Transport & Highways, is India's premier organization for Automotive Cyber Security Audits, V.T.A, and AIS-189 Homologation, offering trusted training services, research and consulting services to help OEM's and Tier-1's achieve regulatory compliance, vehicle resilience and a strong competitive edge.

AIS-189 COMPLIANCE JOURNEY

- 01** From GAP Analysis to Final Approval – We walk with you at every Stage
- 02** Cyber Security & Risk Assessment
- 03** Technical & Process Consulting
- 04** V.T.A. & Homologation Dossier Support
- 05** Post Approval Monitoring & Updates
